

14% of students seriously considered attempting suicide during the last 12 months. 13% made a plan about how they would attempt suicide, and 7% actually attempted suicide one or more times.

2001, Youth Risk Behavior Surveillance System, CDC

Come to the Adolescent Health Working Group's next

Quarterly Meeting

**Tuesday, November 19 from 3:30-5:30pm
Rainbow Room at the LGBT Center, 1800 Market, SF**

Sai-Ling Chan-Sew (Director, SFDPH Mental Health-Children, Youth and Families) will overview important state and local mental health policies and programs affecting teens and their families. This will be a great opportunity to review and discuss entitlement and specific programs for youth in need of assessment, consultation and treatment who are identified by parents and school, foster care, juvenile justice, youth service and public and private healthcare providers. We will have lots of time for dialogue and Q and A.

Please contact Edward at (415) 576-1170 ext.316 or edward@ahwg.net if you plan to attend or if you'd like more information.
